

# COLOUR YOUR CHROME

## Avery Dennison® Conform Chrome and Transparent Coloured Overlaminates

Striking Accents. Brilliant Finish. Immediate Impact.

Providing an impactful, mirror-like finish, Conform Chrome films enhance the look of vehicles to provide a truly premium result when creating striking accents and special effects. Now with three transparent Coloured Overlaminates (COL) creating dazzling new color combinations.

### Key Features:

- > Five popular colors available in Conform Chrome Series to combine with three available transparent Coloured Overlaminates (COL)
- > Conformability around curves and recesses
- > 3 year durability and outdoor performance
- > Patented Easy Apply™ RS adhesive technology

### Key Benefits:

- > Available in 1.22M x 22.8M roll size
- > Save time on installation with a repositionable, bubble-free application with long-term removability
- > The film is ideal to apply on or around existing wraps, such as Supreme Wrapping™ Film, to create accents and special effects

## Enhance Conform Chrome for Dazzling Results

*Avery Dennison innovation has created one of the first coloured cast overlaminates for vehicle customisation. Transparent Coloured Overlaminates (COL) for the Conform Chrome Series are available in three distinct colours: orange, green and purple. These can be combined with the existing Conform Chrome Series colours, opening up whole new creative possibilities. Transparent Coloured Overlaminates add multi-layer application flexibility to Conform Chromes and protect from scratches and damage.*

“

I am getting such a positive response to the colours made possible by these transparent green, orange and purple overlaminates. My current project has been a jaw dropper - a real conversation piece that makes people stop and look.

”
